

Greek proverbs

FORWARD-THINKING

This reminds me of a Chinese saying:
" The best time to plant a tree was 20 years back. The second best is now".

PRAGMATISM

EAT and **DRINK**
with your
RELATIVES...

...do **BUSINESS** with
STRANGERS!

This reminds me of a Sicilian Proverb:
Better to have a good friend than a bad relative.

SILENCE IS GOLDEN

It is easier to *TALK* than to

hold one's tongue!

This reminds me of another saying:
MANY WORDS* are *POVERTY

PASSION

The heart that loves is always young.

KNOW THY ENEMY

An open **ENEMY**
is better than a **false FRIEND...**

You're a false friend
You're never here till the end
You never pull me aside
When something isn't right
Don't talk with me now and into the night
You're a false friend

Hannah Montana Lyrics

Words to the wise:

Keep your friends close, but keep your enemies closer!
Observe your enemies, for they first find your faults!

PROGRESS

SUCCESS..

isn't *how far you got.....*but

the distance you traveled from

where you started.

“Many of life's failures are people who did not realize how close they were to success when they gave up.”

COMMITMENT

Either **DANCE** well... ..or get out of the ballroom!

This reminds me of a Spanish saying:

'Dance to the tune that is played'

POOR OUTCOME

When
POVERTY
comes in through the
DOOR...

..... **LOVE**

flies out through the
WINDOW

Financial problems in a home affect loving relationships.

PERCEPTION

GREY HAIR

is a sign of AGE,

not

Wisdom

In hospitality,
the chief thing is
the good will!
